Coordinator's note:

Dr. Lone is one of the most cheerful and caring persons I have known. He always has a humorous viewpoint about most things in life. His love for KEMC and its students is obvious from the fact that it took just few minutes to make him a very enthusiastic supporter of THANKS. He had earlier established the 7th THANKS scholarship

My dear friend, I am indeed thankful for your generosity and support. It has been a privilege to have you as my classmate and friend.
