Ashraf completed his premedical education from Government College, Lahore in 1965. After graduating from KEMC Lahore, like many of his classmates, he served briefly in Army Medical Corps of Pakistan Army. He came to the US in July 1972 and did his internship at Knickerbocker Hospital in New York. He completed his Internal Medicine residency at Misericordia Hospital in Bronx, NY in 1976. He has been in private practice in Okeechobee, Florida since 1980.

Ashraf is happily married to Lubna and they have three children: Aisha, Faria and Irfan.

Ch. Noor Muhammad

I dedicate this scholarship to my beloved parents who were a pillar in my life. My mother, whose prayers were always with me, and my father, who steered me to this profession. He provided for me, beyond his means, to achieve my goals.

I am thankful and appreciative of my great institution KEMC, which provided a solid foundation for my successful career.

Coordinator's note

What a blessing it has been to have Ashraf as one of my best friends. He has been like a brother to me for the past 45 years. He and his family have been there for me like a solid rock proving the adage "A friend in need is a friend indeed" many times. Thanks again my friend for saying yes so readily to THANKS Scholarships.
