## 2024 THANKS SCHOLARSHIPS Report

### 19 New Scholarships

By the grace of Allah, THANKS Scholarship Endowment funded the tuition fees of all incoming **eligible** first year medical students. This year, we are expanding this program to include all eligible students of the **first and second-year classes**. We believe, this program represents one of the truest forms of **Sadaqah-E-Jariyah**.

“**THANKS**” scholarships were established by Bashir and Tesneem Chaudhary in 2008 to help KEMU students with their tuition. The acronym “**THANKS**” represents **Tuition Help from Alumni for New KE Students**. Our goal is to meet the tuition **needs** of all students.

THANKS scholarships also provide us an opportunity to pay our thanks. We are thankful for the five magical years at our alma mater where we had the best teachers and made our lifelong friends. These are named scholarships and the pictorial web pages for these scholarships provide us an ideal way to thank the people in our lives who helped us to be what we are today. THANKS donations become part of the KEMCAANA Endowments and are invested in stock market. The THANKS endowment at the present time exceeds one and a half million dollars. During the year **2024**, **19** new scholarships were established bringing the total to 265 scholarships.
